INTRODUCTION

On the rolls of this microfilm publication are reproduced the pension payment cards maintained by the Bureau of Pensions and Veterans Administration for recording payments made from 1907 to 1933 to members of the Regular Military Establishment. These payment cards are part of Records of the Veterans Administration, Record Group 15.

Although an act of September 29, 1789 (1 Stat. 95), provided for the continuance of pensions approved by the Continental Congress, it did not assign the pension payment function to any department. The act of March 23, 1792 (1 Stat. 243), that permitted the addition of new names to the list of existing pensioners, specifies that pension payment functions were to be executed by the Secretary of War. Not until legislation of 1818 and 181[illegible] was the Secretary of War authorized to approve applications for pensions and to place invalids on the pension list without prior congressional approval.

By 1810 a unit known as the Office of Military Bounty Lands and Pensions had developed within the Secretary's Office. Between 1810 and 1815 the unit was referred to as the Military Bounty Lands and Pensions Branch (or Section). After the Branch was divided into two units in 1815, the Pension Bureau and the Land Warrant Bureau, the former was generally referred to as the Pension Office. In March 1833 Congress provided (4 Stat. 622) for the appointment of a Commissioner of Pensions under the general direction of the Secretary of War; in March 1849 Congress established (9 Stat. 395) the Department of Interior, to which the Pension Office was transferred. On July 21, 1930, by Executive Order 5398, the Bureau of Pensions (formerly called the Pension Office) was consolidated with other agencies also serving veterans to form the Veterans Administration, an independent executive agency.

Until about the middle of 1909, records of pension payments were kept in pension agency payment books. In 1907 the method was changed to a card system, and the transfer of basic information from the payment books to the payment cards for all invalids and widows still being pensioned at the time of the change in recordkeeping was begun.

There are approximately two million cards, 5 inches by 8 inches in size, reproduced in this microfilm publication. They have been filmed in alphabetical order by surname of the Army or Navy invalid or widow, except that cards with Indian names have been filmed alphabetically at the beginning of the respective letter of the alphabet. The form of the card is almost identical

for the four classes. On the front of the cards entitled "Army Invalid" and "Navy Invalid" are the name of veteran, his certificate number, his unit or arm of Service, the disability for which pensioned, the law or laws under which pensioned, the class of pension or certificate, the rate of pension, the effective date of pension, the date of the certificate, any fees paid, the name of the pension agency or group transferred from (if applicable), the date of death, the date the Bureau was notified, the former roll number, and "home." On the reverse side of the form appear the name of the veteran, his certificate number, and the rate and record of the individual payments. On the "Army Widow" and "Navy Widow" cards, the widow's name replaces the veteran's, and the veteran's name replaces the information about the disability for which pensioned. A block is available on the "widow" card for recording payments made to minors. A major change in the form of the card occurred in 1923, when the payment was made monthly instead of quarterly. Pensioners whose payments extended beyond this period had their payments recorded on a second card—the monthly payment card. In the few instances where a communication has been attached to a card, the communication has also been filmed.

Also in Record Group 15 are the pension agency payment books from 1805 to 1909, which preceded the system of pension payment cards; the registers of pension certificates issued to Army and Navy veterans, their widows, and other dependents to 1914; and the registers of pension applications to 1916.

The editorial material for this publication was prepared by Maizie Johnson and Willna Pacheli.
